APRIL PROGRAMS

Entomology

The Outdoor Campus is excited to host Hans Stephenson with Dakota Angler and Outfitter. This presentation will focus on insect identification, their seasonal availability, life cycle and how to tie up a handful of our local aquatic insects. We will be providing a fly-tying supply list for the needed materials, and he will have some tying vises on hand for hands on tying instruction. Food trucks will be on site for your personal purchase while you enjoy this excellent seminar.
